My name is Logan Sutton, I am 10 years old. The first time I ever picked up a golf club I was 18 months old. My dad from the age of 3 would take me to a local golf course to start teaching me the basics about golf. I started my lessons with my coach Hannah when I was 5 and I have been with her ever since. Aged 7 my dad took me with him to start playing full 18 holes. I have worked really hard with my dad and Hannah and I am currently a handicap of 24.8. At the age of 8 I came runner up in my first ever golf tournament. On weekends and school holidays we regularly get up early to get a round of golf in at my club West Midlands Golf Club. This year at 9 years old I was accepted into the U14's Warwickshire training academy. I currently enter as many of the tournaments and competitions they have organised for us, to improve my knowledge and experience in golf.

Each year I hope to climb the leaderboards and work my way to the top. My end goal is to be a professional tour golfer. I also enjoy playing football with my team Hampton and Solihull where we have won three consecutive tournaments I have the full support of my family and friends. I was very privileged and went to The Open in 2021. I saw so many of my idols including Tory Mcilroy. I feel very privileged to be able to play and enjoy golf with piers and my dad. I regularly get comments from club members about my swing and how well I am doing. Scoring 92 at my home club was an amazing achievement, the manager made the club captain aware and posted it on social media. I am working so hard to achieve my goals in golf. With my family and coaches with me I hope to be near scratch by the time I am 13.
