I have been dancing since the early age of 3 I dance for studio.x.dance academy in ashington Northumberland. I am a double starter in both fast and slow. When I dance I feel free like all my troubles are left behind and nothing else in the world matters but my time on that floor. My aim goal is to become a champ. I train 4 days a week. This year I became a dance ambassador for the amazing channy Thompson who is a vocal singer here in the North East I have had the most amazing

opportunities this year the experience has been out of this world and I can not wait to see what 2023 has in store for me and the other dance ambassador. My dance teachers tasha and jess have been my best supporters and have encouraged all of my achievements but without there amazing time and commitment none of this would be possible at all and for that I am truly grateful.

My name is Zoey. I am 8 years old. I like dancing and i have been doing it since I was 4 years old. I love flipping in different directions. Competing solo is what I enjoy the most and once again I'll be doing it. I always say one should do whatever makes her happy. Dance is my everything and i want to share it with everyone.

Mon nom est Alycia Allard, je suis une jeune danseuse de 10 ans. Je danse depuis que j'ai 6 ans mais j'en suis à ma deuxième année dans l'équipe de danse compétitive. Je suis passionnée, expressive et motivée. Danser me permet de

m'exprimer, d'extérioriser mes sentiments, c'est une liberté d'expression! J'adore ce sport et j'espère pouvoir danser encore de nombreuses années.

## Ellieana Jensen

My name is Ellieana Jensen. I am 9 years old. I have been dancing since I was 2 years old. In addition to dance I am bilingual (speaking Spanish and English) a National Pageant Queen, I sing, play the piano, model, and have started designing clothes and accessories. I love to read and write.

I have several goals, but my primary goal is to be on Broadway as a singer and dancer. I was able to see shows on Broadway this September and was inspired to pursue this dream.

As a competitive dancer I commit at least 20 hours per week to training. My solos have placed in the top 10 in several dance competitions including second place at The Dance Awards Nationals. I have also won dance scholarships at several competitions.

As a National Pageant Queen (Princess of America) I have had the opportunity to be involved in my school and community by promoting my platform, Live Kindness. I also had the privilege of walking in New York Fashion week September 2022. As a bonus I was recently published in Heartland Model Magazine. Before the end of my reign I would love to write a book with the help of my Mom.

My biggest challenge can be finding time to accomplish everything that I want to. When I feel challenged I reflect on my life and thank God for gifts.

I'm a dancer from JuiceBox Dance Academy LLC. Our Hip hop crew finished first place at Groove competition last season. I'm a member of AZDEO and strive to do my best in every endeavor. I love teaching the little ones hip hop and creating my own choreography. I dabble in modeling from time to time and have been featured in over thirty publications. My dream is to one day be an award winning choreographer and inspire future generations to express themselves through dance the same way I found release to my stress and

anxiety. I attend and three to four hours of dance practice everyday after attending high school. Balancing school and a rigorous dance life with my type 1 diabetes isn't easy but with the help of my family and God I persevere. For now I'll focus on my solo in this competition season. The trophies and accolades will come, doing my personal best is the main goal!
