Andrea modeled for me at a Fashion Show called Walk Fashion Show that was located in Miami. She made my work on the runway come to life. Her catwalk was fierce and flawless. She actually contacted me through text when she found out that I was at the Walk

Model Casting just to find Models who will represent my brand. She showed high interest in my work. I am so glad that I work for her.

Ashlea Stringfellow

Ashlea has been modeling for me for 5 years. We met each other on the Model Mayhem website where you search for Models. I did a Model Casting for a show that I put together. Her catwalk is fierce and flawless. I also admire her confidence while representing my clothing brand. So I decided to give my Fashion Show a theme which is "Pink Is In" because pink is my favorite color. Also my clothing tag and logo is Pink through social media such as Instagram, Facebook and Twitter so everyone can realize this is me this mine. I started the clothing line Colors Are Beautiful back in October 2, 2012. So Ashlea represented my Pink Collection very well. She also modeled in other shows where I showcased which is Walk Fashion Show, RAW Holiday Rawk and RAW Savor which was held in Orlando. Ava And Reginald Stringfellow are the parents that also puts together fashion shows, and takes Awesome Photos. She also has a sister by the name of Asjale who is also a Model. So Modeling runs in their family. Ashlea is also a Makeup Artist and Fashion Designer. She is Multi-talented. I am so glad that I got the chance to work with the Stringfellow Family.

Dior Ilkhomi

Dior has been modeling my Kid Collection for 2 years. I was doing Miami Swim Week around that time but he couldn't make it. So his Mom reached out to me and told me that Dior can model my clothing just to advertise. So that's why I decided to do a Virtual Fashion Show. His walk was fierce and flawless. He also made my kid collection come to life through photos. So I am so glad that I got the chance to work with him.

I have been dancing since I was 3 years old. I love my dance school and my beautiful dance teachers. They certainly are my role models. In the years I have been dancing, I have competed in many eisteddfods and in the last year, I have started performing solo dances as well.

I have made some of the best friends a girl can have through dancing. The support that we show each other is so lovely especially as we go through our pre-teens together!

I have challenges with dancing - being so tall, I sometimes find it hard to get some moves and my flexibility is not the best. However with the support of my friends and my teachers, I am getting there and I won't give up.

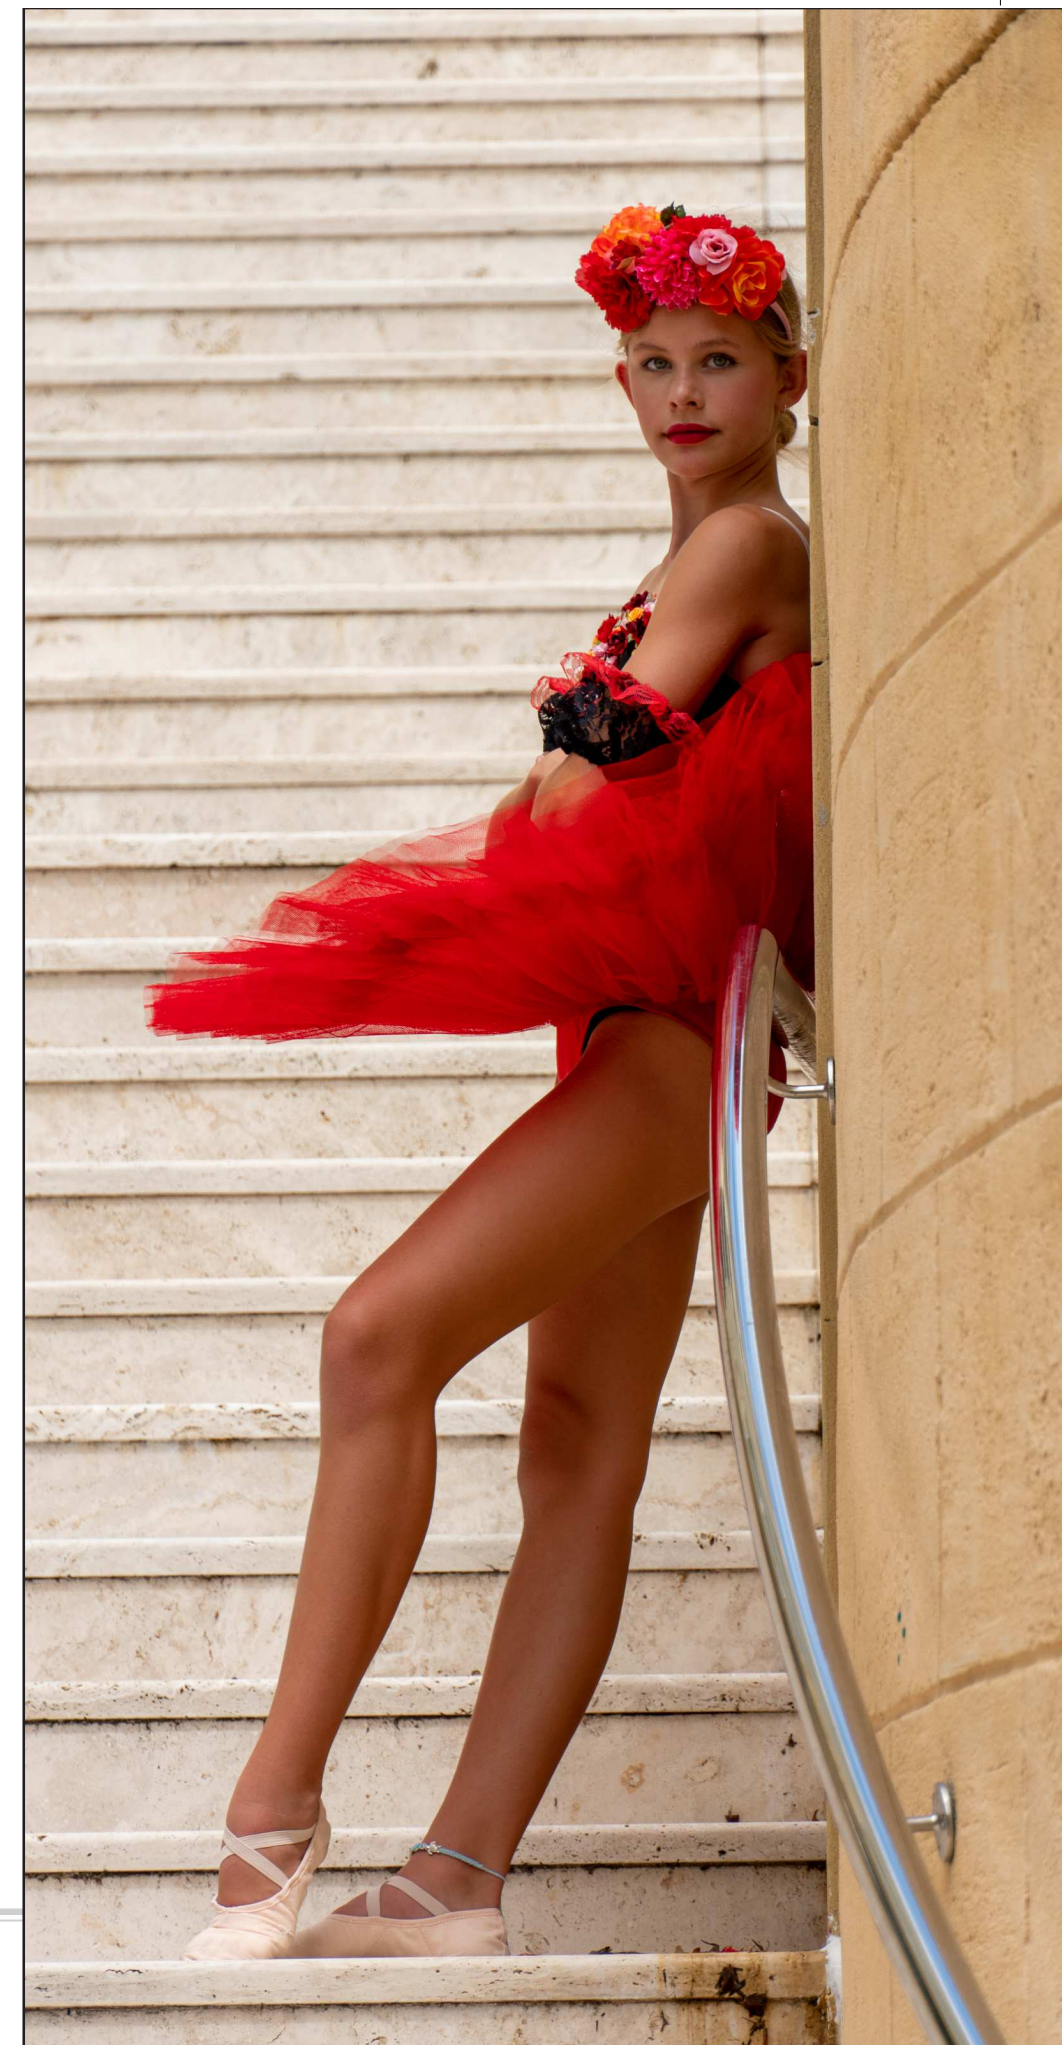

I love the feeling of performing - dance makes me happy!

My goal in the near future is to hopefully win a place at one of my upcoming eisteddfods this year and my dream is to become a dance teacher and be able to inspire young dancers as my teachers have inspired me.

I already help out with three dance classes a week teaching 5 - 6 year olds and I love it so much.

I am looking forward to what dance will bring me this year.

I am a scientist and photographer living in the Washington DC area. Early on, I was mainly a landscape and wild-life photographer. As an outdoor photographer, I was fortunate enough to travel to many countries in six continents and capture many unique and beautiful moments. In the past two years, I have become passionate about portrait photography capturing the spirit and essence of people. Being a scientist, I love experimenting with my photography whatever the genre.

Monique Coney

Melanie has been modeling for me for 5 years. It started when I actually met her on Model Mayhem, it's a website where you search for Models. I did a Model Casting for a Fashion Show I was putting together, I gotta say she passed the test with her catwalk. Her walk is fierce and flawless. In July 2017 I put together my own fashion show entitled "Pink Is In" because pink is my favorite color. So all my Models were wearing my Pink Collection. She also modeled in other

showcases that I presented my designs such as RAW Holiday Rawk, RAW Envision and Exquisite Annual Fashion Show that Ava Stringfellow of Bfly Beauty put together. She is also my fashion buyer so I am happy for that. She is now a retired Model, but then again you never know, things might change. But I really enjoyed working with her.
