**Faye  
Delune**

# Faye Delune

My names Faye Delune, and I'm A Professional Model, Promoter and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning photography, modeling, Promoting and Marketing at The Professional Level and really enjoying the artistic aspect of it all. In 10 years, as a model, photographer, and Promoter, I have had the honor of being featured in/on countless of magazines, runways, commercials, editorials, catalogs, websites, social medias, and more! I have also worked with several brands, companies, businesses, artists, designers, bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, photographer or promoter, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.

I have started my acting journey playing Little James Musgrove double in Netflix film Persuasion with Dakota Johnson.

Getting a great

feedback from her and the 1st asst director on the set encouraged me to join performing arts school Stagecoach where I stayed for 2 terms.

Since then I have been really busy with other projects.

Just to name few, I play Daniel in upcoming short film Grimaldi and Panda in Grey Matter.

I also filmed a

commercial for Ryobi tools.

When not acting or playing football I play piano, sing and dance.
