My Name is Master Bañares and I am the owner and instructor at Elite Taekwondo Winnipeg. I have a 5th Dan Black belt and have been operating my club for over 18 yrs.

I had many students that I have taught and promoted to a black belt level. This one student named Adam is only a black strip, soon to get this black belt.

This Athlete is very unique because he has been moved from home to home and was finally placed at a good loving foster parent that gave him the proper nurturing. With this love and support Adam

has become this young martial arts athlete that other clubs are now recognizing his skills and talent.

He has won many sparring tournaments and has always but his best foot forward. Adam stands at 6 foot 1 inch and is only 11 yrs old. His power for his age and his tenacious offence and defense makes his a powerful contender.

I always have his foster parents bring his birth certificate so that they can prove his age and gift from God his long reach and height.

This one you will see in the future Olympics and his pure desire from the heart attitude truly means that he is a champion.

Bravo Adam and looking forward to seeing you in the Olympics.

My name is Ricardo Jeniel Rivera, I`m 12 years old, and I`ve been a karate practitioner since the age of 3. Currently I`m a 2nd Kyu Brown Belt in Shotokan Karate. One of my immediate goals are to become a black belt in a couple of years, and to represent my country (Puerto Rico) in International competitions as I have done for the past 3 years.

My dream is to compete in the highest level and to develop myself to become some day a great champion. At my age, I`ve had the opportunity to compete in the elite division in tournaments in

USA, Spain, Colombia, Mexico, and Puerto Rico were I`ve always had the opportunity to be at the podium.

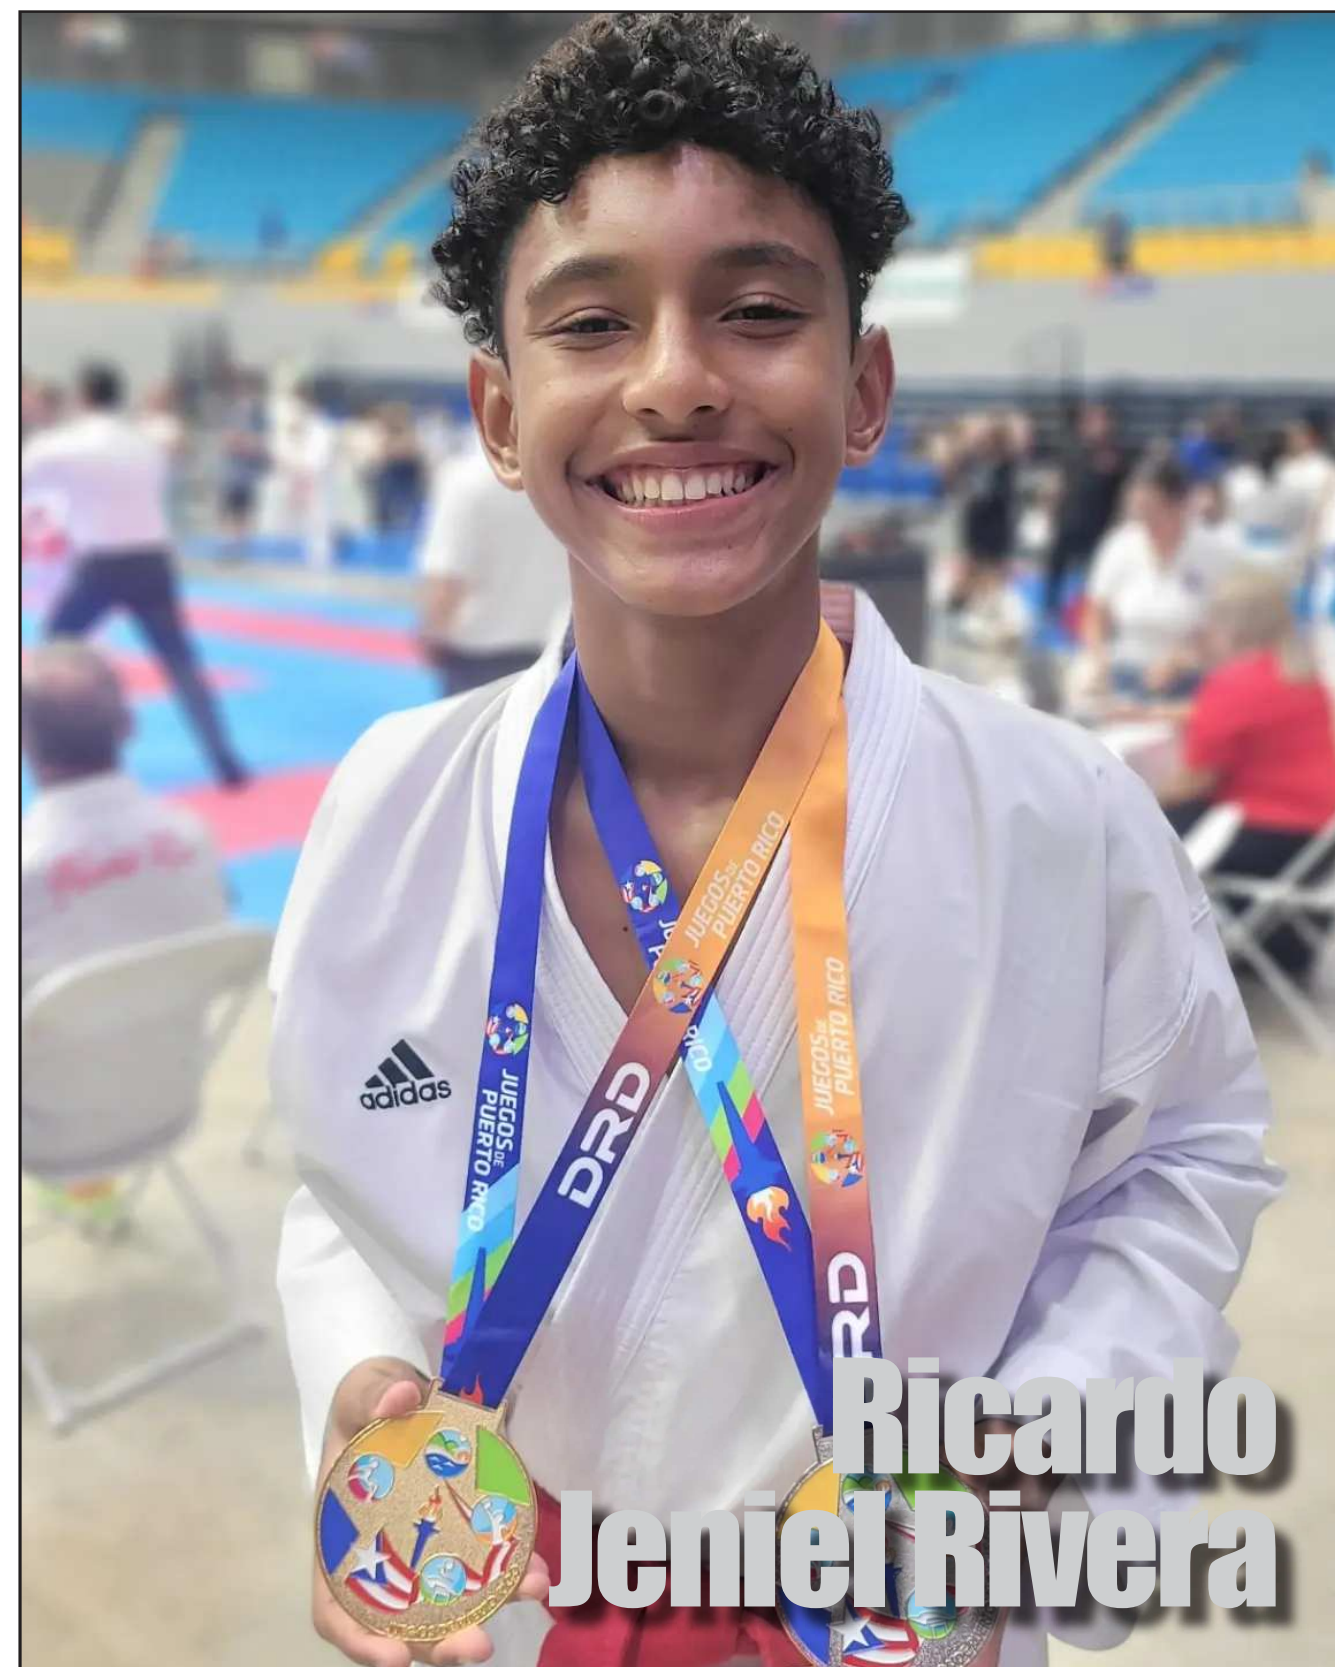

My most worked challenge has been to help other team mates to develop themselves too in their martial arts way, and to keep growing day by day in this beautiful martial art that has been so important in my life, KARATE DO.

I am a second degree Black Belt. Started karate since I was 10 years old. I was bullied in school for being to sensitive and wanted a change. I want to be tougher and stand up for myself. One day at school they handed out flyers for a karate school and I've been hooked ever since. I started competing with my school at locals when I got my yellow belt. When I saw all the ranks and different levels I told myself I want to be amongst them one day. My goals and my dreams go hand in hand with each other. What I'm doing is being the best that I can be in this sport right now. Looking to conquer and when that's done I look for another goal. My main purpose is to send a message. Not a lot of Female martial artist or even male martial artist that look like me and have the same background as me are doing what I'm doing. Growing up I didn't have a lot of role models to look up to that look like me and compete in the divisions that I'm doing. Truth is yes I started doing this for myself but in reality I'm doing this for all the boys and girls who look like me that never thought that they can win 🏆

My name is Kailey Frank and I am 18 years old.

I have been training in MMA and Brazilian Jiu Jitsu for 3 1/2 years, My number one goal is to fight in the UFC and be a champion one day. The reason I got into MMA was Ronda Rousey, when I was 9 years old Ronda Rousey had her first fight in the UFC and I thought that was the coolest thing ever and since then I told myself I wanted to be a fighter just like her. So after years of saving money to train at 14 years old I started my MMA journey, I have made a lot of sacrifices to be where I am today and I don't regret any

of them. A lot of people don't understand my dream but that's okay because I do. Some of my accomplishments include being 2-0 as an MMA fighter, holding the rank of Blue belt in Brazilian Jiu Jitsu, traveling to different states to compete at Jiu Jitsu tournaments and having earned 15 medals, 10 gold, 5 silver. I am also an Elite Ambassador for FNX Supplements. I have a long way to go but I know that if I trust in God and work as hard as I can it will pay off. I believe that one day I will be in the UFC and I just can't wait to here Bruce Buffer yell my name and say "it's time"!
