My name is Adriana Mullis, and I started karate when I was six years old and have been training for 12 years. Karate has taught me and continues to teach me about respect, discipline, confidence, and so much more. Karate has shown me how to be stronger mentally, physically, and spiritually. I began competing when I was 8, and I still strive to do my best and win at each tournament. In 2021, I started to train in Kokusai Shotokan karate, and I fell in love with karate all over again. In 2022, I was scouted for the WUKF World Championship to compete on the American team. Female representation is very important to me in the world of karate, and I hope to show more girls my love for martial art and be the inspiration they need to start. I am incredibly thankful for all my friends, parents, and teachers that have gotten me to this point. My relationship with karate has been up and down throughout my life, but I know now that it will be a part of me for the rest of my life and I cannot wait to learn, teach, and compete more. Karate is absolutely more than just a sport or martial art, it is a way of life.

# Cyra, Keyan, Kayvan Eskandari

Hi, we are the Persian Irish Triplets. Our names are Cyra 7, Keyan 6, and Kayvan 6, Eskandari. We have been doing Jiu Jitsu for over a year, and we love the challenge. The coaches at Rounders MMA are the best, and not only that, we are all a family. They have taught us to never give up. In Jiu Jitsu teaching, respect is one of the core tenets all kids

must learn and perform both on and off the mat. That means bowing to instructors and opponents at competitions, as well as treating every person with decency and kindness. Our dream is that by the time we grow up, Jiu Jitsu will be part of the Olympics, so we can be the first Irish triplets to be Olympic champions.

My name is Ember Tuttle and I am currently a 7 year old Grey Belt that trains at Diego Bispo Academy under Professor Diego and the many other AMAZING coaches that dedicate their time, talent, and support at my gym. You can always recognize me by my pink hair!

Since I am only 7 years old, my dreams consist of becoming a mermaid, owning my own rainbow unicorn, becoming a singer and seeing Jiu-Jitsu become an Olympic sport.

My Jiu-Jitsu goals are to place 1st at the 2022 IBJJF PANS KIDS for my bracket, and if not this year, then next year. I want to keep training until the Belt turns BLACK! And lastly, I would very much like to learn enough to help teach younger kids this sport. I think it is very important for young kids to learn jiu-jitsu so they can defend themselves, gain confidence, and meet a lot of really nice people.

Currently I hold 6 Gold Medals, 6 Silver Medals, 4 Bronze Medals, and 1 Samurai Sword! My latest win was winning double Gold at Newbreed in both the Gi and NoGi brackets. Hopefully, I will be increasing my Gold medal count at PANS in a few weeks.

My biggest challenge is that I get in my head a lot. It is something that I work on daily, but with the help of my Jiu-Jitsu family, my actual family, and my friends, I am learning to be more confident. My favorite part about Jiu-Jitsu, other than choking out boys, is the amazing friends I have made and how much love and support the community offers me.

The grind can be hard, there are times I want to give up, but regardless how hard and discouraging it may get, I have never once given up, and I never plan to.

Happy hunting and I'll see ya on the mats!

# Julian Friedman

My name is Julian. I am eight years old from the city of London. I do gymnastic not just for the sake of doing but because it really excites me. As a kid, I am always enthusiastic about gymnastic. My passion has yielded results as well as I have won several championships in gymnastic in the city .

# Landry Papis

My name is Landry Cole Papis, my coaches gave me the nickname the "Pitbull" after my first tournament my dad a U.S. Marine Veteran added the American to it. Now my fight name is "The American Pitbull" I started jujitsu to have something to do after baseball and fell in love with it right away. I have the greatest coaches at Graham MMA American Killer Bees in Petal Ms. My dream is to one day become a black belt and a world champion, open my own gym so I can teach and help other kids like me. With the help of my coaches; coach John Michael Alexander, coach Doug "The Grudge" Freeman, and professor Eric Graham I have become very successful in tournaments and just received my 3rd stripe on my white belt. So far I have won 2 Gold, 2 Silver, 1 bronze in 3 tournaments with AGF. later this month I will take my skills and challenge myself at NAGA U.S. Nationals in Foley, AL. Jujitsu has come really easy to me at a young age my coaches say that I pick it up quicker than most my age. I have struggled at times to be calm and relax and to remember to keep an open mind and learn. It's hard sometimes competing when hundreds of people are watching and cheering for you and your competitors. I love the sportsmanship of competing and have made several friends this year, although we compete on the mats afterwards we shake hands, hug and congratulate each other. So far I have 2 main sponsors, the 1st to sponsor me was David Black of Clearwater FL, owner of Omega Dog Treats. The 2nd, most recent is from Jeff and Amy Morgan, owners of Safeguard Pest Management in Florence Ms. I wanted to thank them for all they do for me. My family has always supported me, my dad was my 1st coach and still helps from time to time. I have had the honor to train with Anderson Silva and several of the best local MMA Fighters in Mississippi.
